Media Release;

Giant Caught in Niue waters

Alofi, Niue, 22nd June 2016: The heaviest big eye yellow fin tuna believed to be the first caught in Niue waters astounded many keen anglers at the wharf in Alofi yesterday evening.

The heavy weight was caught by avid fishermen Scan Mitiepo and Poi Kapaga and weighed 86.3 kilograms.

Reports revealed the good fortune also caught a hefty price tag worthy of the heavyweight for the excited fishermen.
