OFFICE OF THE PREMIER**

30th January 2017

Press Release

Government of India Funding Assistance of US\$910,700.00 (NZ\$1.2 Million Dollars) Towards Niue Telecommunication Development

Alofi, Niue, 30th January 2017: The Government of India have announced the release of US\$910,700.00 (NZ\$1.2million) funds to assist Niue's telecommunication development, in the establishment of the 4G/LTE Mobile Network.

Honorable Premier Toke Talagi said he is very pleased with the latest development and expressed his gratitude to the Government of India for its continuing support of Niue's development projects.

The signing for the project funds will take place this week at the India High Commission Office in Wellington, New Zealand.
