COVID-19 UPDATE: MIQ CLEARED AFTER DAY 9 TESTING

Alofi, Niue – 13 April 2022 – The Government of Niue (GON) announced today that all MIQ residents that arrived on 4 April 2022 have returned negative tests on day nine as part of standard testing protocols.

All MIQ residents have returned negative tests after day nine of testing.

There are zero active cases of COVID-19 in Niue.

All MIQ residents who arrived on the 4 April are cleared for release tomorrow 14 April at 12 pm.

The second dose of the Pfizer and BioNTech (Comirnaty) rollout programme to vaccinate the 5 to 11-year-old will be completed on Tuesday 19 April 2022.

Niue's National COVID response remains Alert Level Blue, as there are no active cases in Niue.
