COVID-19 UPDATE: NO NEW CASES AFTER DAY THREE TESTING

Alofi, Niue – 21 April 2022 –The Government of Niue (GON) announced today that all fully vaccinated arrivals in the MIQ Facilities had returned negative tests on day three as part of standard testing protocols.

There is one active case at the border and is continued to be monitored by health officials.

All other passengers have returned negative tests after day three of testing.

All quarantine locations remain closed for visitors.

Niue's National COVID response remains on Alert Level Yellow, as there are no community cases and the positive case is contained at the border.
